WALSH interviewed TAKASHI OHTA, caretaker, University Settlement House, Route 9D, Beacon, New York, in an attempt to ascertain the current address and employment of Miss LILLI ANN KILLEN. The interview of KILLEN had been requested in case entitled "ALFRED E. SARANT, was.; ESPIONAGE - R", NY 65-15360.

TAKASHI OHTA advised in connection with this interview that his son, ALLEN HOMAREI OHTA, had worked during the summer months (1950) with Miss KILLEN, at Camp Woodland, Phoenicia, New York.

On December 16, 1950, Miss KILLEN who is currently employed as an Art Instructor for the HENRY STREET SETTLEMENT HOUSE, 265 Henry Street, New York City, and residing at 185 Henry Street, New York City, advised SAs CHARLES P. MICHAEL CERRETA, 21 Walnut Street, New Rochelle, N.Y. (New Rochelle 6-6482), who is employed by the Prudential Life Ins. Co., advised he has lived next door to door to the FIORE family for six years. He stated MICHAEL's father is dead and MICHAEL's mother, MRS. MARIE MARINELLI, has remarried. In addition to MICHAEL's mother, his brother, RALPH FIORE, and his step-sister, JOSEPHINE MARINELLI, live at 27 Charles Street, New Rochelle, N.Y. MICHAEL FIORE does not live at the latter address having moved to Bridgeport, Conn. CERRETA had no information of a disloyal nature as to any member of the FIORE family. He did not know what MICHAEL or RALPH FIORE did for a living.

It was ascertained through the U.S. Post Office, New Rochelle, N.Y. that on June 3, 1950, MICHAEL FIORE changed his address from 27 Charles Street to 787 State Street, Bridgeport, Conn.

JOHN DOOLEY, New Rochelle P.D. advised MICHAEL FIORE, 500 North Avenue, New Rochelle, N.Y. has a lengthy criminal record. It was not possible to determine whether or not the MICHAEL FIORE of 500 North Avenue and of 27 Charles Street are one and the same person.

LEWIS WOLFE GLEEKMAN;
SECURITY MATTER - C

Reference report of SA JAMES L. REINHART entitled "ALFRED EPAMINONDAS SARANT, was.; ESPIONAGE - R", Baltimore, September 8, 1950, wherein it was reported that SA FRANK A. STANTON obtained, among others, the address of one "ENGEL, 75-38 113th Street, Forest Hills, New York", from correspondence located in GLEEKMAN'S desk drawer.

The current Queens telephone directory indicates that one L. ENGEL resides at 75-38 113th Street, Forest Hills, New York, and is subscriber to telephone number BO 3-3034.

On December 7, 1950, Mrs. LOUIS ENGEL, nee ADELE ZUSMER, 75-38 113th Street, Forest Hills, New York, was interviewed by SAs VICTOR TURYN and ROBERT P. ROYAL.

She advised that she and her husband, LOUIS ENGEL, had previously been employed by the RADIO RECEPTOR COMPANY, 251 West 19th Street, New York City, as an administrative assistant to Mr. EVERETT GIBBS, Chief Engineer, and as an Electronics Engineer, respectively.

Also employed there was HELEN WILENSKY who later married LEWIS GLEEKMAN in approximately 1945. Through their mutual employment, (LOUIS ENGEL, HELEN WILENSKY, and ADELE ZUSMER), they became acquainted and in approximately 1944 LOUIS ENGEL and ADELE ZUSMER met LEWIS GLEEKMAN through HELEN WILENSKY.

Mrs. ENGEL stated that their association had been of a social nature and that their last contact with the GLEEKMANS was through correspondence while LEWIS GLEEKMAN was attending the University of Iowa, Iowa City, Iowa, in approximately 1948. She believes that LEWIS was then considering a teaching position at the University of Vermont.

Mrs. ENGEL continued to advise that she did not know whether the GLEEKMANS were members of the Communist Party. In this respect she related that she was extremely anti-Communist and if the GLEEKMANS were Communists or sympathizers, that this information was not made known to her.

Further, she stated that she was born in Russia in 1919 and in 1921 her father, MOSES ZUSMAN, left Russia, the family following, and immigrated to America due to his anti-Communist political beliefs. She stated that her father was formerly an officer in the Czarist Army and was a member of the "Mensheviki", a political organization in Russia which represented the moderate wing of the Social Democratic Party. She indicated that her American citizenship is based on her father's papers.

Mrs. ENGEL advised that her husband is currently employed as an Electronics Engineer for Aviation Engineering Corporation which has offices at 58th Avenue, Woodside, Long Island, New York, telephone number LL 7-3131.

She stated that she and her husband had been members of the Federation of Architects, Engineers and Chemists and Technicians while employed for the Radio Receptor Corporation as was HIRSH WILNISKY, Mrs. LEWIS GLEEKMAN.

Confidential Informant [redacted] advised that the name of LEWIS GLEEKMAN of 205-01 Hollis Avenue, Hollis, New York, appeared on the Federation of Architects, Engineers, Chemists and Technicians mailing list for May and June, 1944. b7d

The indices of this office failed to reflect any additional identifiable information pertaining to the ENGELS.

This information is being reported in the GLEEKMAN investigation inasmuch as it pertains exclusively to LEWIS GLEEKMAN.

Mrs. ENGEL indicated that she did not know ALFRED SAPANT or any of the other individuals involved in the JULIUS ROSENBERG investigation.

She stated that she returned to her Los Angeles home in January 1945 and that on the occasion of the second musicale she probably gave SARANT her Los Angeles address. She recalled that her last contact with SARANT has been a wedding announcement and one birth announcement, which he had sent to her.

She was unable to identify photographs of JULIUS ROSENBERG and others connected with the ROSENBERG investigation other than SARANT. She made a tentative identification of JOEL BARR, but was unable to furnish any information pertaining to him. She could not recall any of the other individuals who were present at the musicales. Re: Alfred E. Sarant

On 4-27-51, SA JOHN HARRINGTON noted, in the course of another investigation, the name of one ~~ALFRED H. SARANT~~ on the ~~door~~ mailbox of Apt. 3D, 419 E. 68th Street, NYC.

MR. JOHN HARRIS, Super. of 419 E. 68th Street, NYC and a radio operator at the La Guardia Air Field, advised that ALFRED H. SARANT is not listed as a tenant. Although HARRIS has never seen SARANT, he understands that he is living with a woman in her 40's. He states that this woman is not good looking and that there may possibly be another woman living in the apartment.

FBI NEW YORK

identify SARANT; however no one answered the door of apt. 3D.

WELDON BRUCE DAYTON;
ESPIONAGE - R

ReNYtel to Bureau, 4/17/51, entitled, "ALFRED E. SARANT; ESPIONAGE

- R."

On 4/17/51, AUSA JOHN W. FOLEY, SDNY, advised that WELDON BRUCE DAYTON appeared before the FOJ, SDNY, on that date. DAYTON was shown photographs of various individuals believed involved in the JULIUS ROSENBERG group. He denied knowing any of this group except Mr. and Mrs. ALFRED SARANT and said he recognized JOEL BARR from photograph he had observed at SARANT's home. DAYTON admitted knowing MAX FINESTONE having met him at Cornell but denied ever seeing him in NYC. DAYTON denied ever being at 65 Morton Street, NYC, an address used by SARANT, BARR, WILLIAM PERL and others during parts of the period extending from October, 1943 and January 31, 1950. It will be noted that among the photographs exhibited to DAYTON, was a photograph of WILLIAM PERL.

From the investigation conducted to date, in this investigation and other related investigations, DAYTON has perjured himself in three instances. He has denied ever having been at 65 Morton Street, NYC, knowing WILLIAM PERL, and seeing MAX FINESTONE in NYC.

Mr. and Mrs. FLOYD ELWYN, JR., FLOYD ELWYN SR., and T. B. WILEY, all employees of the 65 Morton Street Corporation observed DAYTON on 4/17/51. Each positively identified him as an individual they had observed at at 65 Morton Street, NYC. The ELWYN's had previously personally identified DAYTON and furnished signed statements reflecting their identifications of him in connection with the 65 Morton Street address.

It will be noted that DAVID ORKENGLASS had identified SARANT's apartment at 65 Morton Street, NYC as an apartment which JULIUS ROSENBERG was paying rent on, using for microfilming, and other espionage work.

FLOYD ELWYN, JR. has placed DAYTON in SARANT's Morton Street apartment on or about 1/29/50. ELWYN had previously observed DAYTON in the lobby at 65 Morton Street, near the mailboxes in July or August, 1949. Shortly thereafter, on the same day, ELWYN observed WILLIAM PERL, whom he has personally identified, and DAYTON leaving the building together. ELWYN advised that on or about 1/29/50 he observed DAYTON, PERL, MAX FINESTONE, and another man moving furniture from the SARANT apartment into the basement of his apartment building. Later the same week, he recalls that he observed DAYTON and FINESTONE moving a Hollywood type bed, which had been previously moved into the basement, out of the basement.

Letter to Director, FBI
NY 65-15403

Mrs. EDITH observed DAYTON, PERL and FINESTONE moving furniture into the basement of their apartment building, as did her husband.

On 4/23/51, AUSA JOHN W. FOLEY advised that WELDON BRUCE DAYTON and his attorney, a Mr. SILVERMAN of the firm of PAUL, WEISS, RIFKIND, WHARTON and GARRISON, 61 Broadway, NYC visited FOLEY's office on 4/21/51. He advised that DAYTON produced a bound notebook entitled, "Book 'B', Energy Distribution in Pair Production - B. Dayton, Runs 213-329" and twelve miscellaneous documents reflecting notes on extensive analysis made by DAYTON, dated 1/2, 30, 31/50. The bound notebook reflected, among others, experiments conducted daily by DAYTON at Cornell University, Ithaca, NY from 1/19/50 until 9:00 a. m. on 1/28/50.

It is noted that DAYTON in furnishing these materials is attempting to support his statement before the FBI, in that he could not have been in NYC as alleged, for he contends that he was in Ithaca during the period of on or about 1/29/50. DAYTON has admitted to attendance of the American Physical Society meetings held at Columbia University, NYC from February 2, 1950 to February 4, 1950. He states that he traveled to NYC on 2/1/50.

Mr. FOLEY advised further that he thought possibly the FBI Laboratory might be able to prove if the dates on these notes were prepared at the same time as the notes.

Enclosed herewith are the above mentioned bound notebook and the twelve documents dated on 1/29, 30, 31/50. It is requested that the FBI Laboratory attempt to determine if the dates on the various documents were changed or written over. It is also requested that an attempt be made to determine if the dates at the top of each page were written at the same time as the material contained on the sheets of paper. From a cursory examination, it was noted that two of the dates on the documents have been changed.

It is also requested that the Laboratory attempt to determine if the handwriting on the twelve documents was written by the same individual who wrote the material in the notebook.

The Laboratory should retain copies of this handwriting, which DAYTON claims to be his own, for inclusion in the National Handwriting and Security Files.

The enclosures should be returned to the New York Office upon completion of the above desired examinations.

GARY PICKARD, currently residing at 711 - 7th Street and employed Radio Station KRAM and "Fabulous Las Vegas" weekly magazine, Las Vegas, Nevada, advised he first met MAX FINESTONE while both were students at Cornell University, Ithaca, New York, and had frequent contact with him until approximately the Summer of 1949. PICKARD and his wife separated at this time and he cannot recall associations with FINESTONE during the Summer of 1949. PICKARD left Cornell University September, 1949, and went to NYC seeking employment. He met FINESTONE in NYC in the latter part of October, 1949 and, being short on finances, FINESTONE insisted he reside with him in an apartment located at 65 Morton Street, Greenwich Village, NYC. PICKARD could not recall the exact number of the apartment, but stated it was on the sixth floor. FINESTONE told PICKARD the apartment was actually being rented by friends of his who allowed him to stay there while they were out of the city. The names and whereabouts of these friends are unknown to PICKARD. These friends had indicated to FINESTONE that they might not return to the apartment and they had almost completely stripped the apartment of furniture. The only furniture in the apartment was a double bed, day bed, card table, three wooden chairs, and two book cases, all being broken down and almost worthless.

In January, 1950, FINESTONE received word through the Superintendent of this apartment building that these friends were releasing the apartment, requiring FINESTONE and PICKARD to vacate. At the request of the Superintendent and to make way for painters to redecorate this apartment, FINESTONE and PICKARD carried the above-described furniture down to the basement of the apartment building. PICKARD maintained no one else was present when the furniture was moved. The exact date of moving the furniture is unknown, but it is believed to have been the middle or latter part of January, 1950.

About three weeks after moving from the apartment, PICKARD returned to the apartment building one day in a borrowed jeep with FINESTONE and obtained the day bed from the basement, which PICKARD took to another apartment he had obtained with DAVID LYLE and HAROLD GATTY, both graduates of Cornell University. PICKARD placed this date around the first part of February, 1950, and maintained no one else assisted but FINESTONE.

There was also located an unrelated letter, which is quoted in part as follows:

"Dear AL,

"Thanks for the check. It came in mighty handy inasmuch as I happened to be in need of some petty cash at the moment. Enclosed is what I hope is an iron clad bill-of-sale for my few sticks and stones. Of course thanks for the use of them, that's why you got them so cheaply . . .

"Your unworthy colleague,

BILL "

When ALFRED SARANT was questioned concerning this letter and the bill of sale, he stated that they were written by subject because of trouble encountered by him in keeping the apartment at 65 Morton Street, since the apartment was leased in SARANT's name. He advised that the bill of sale was a paper transaction in an effort to satisfy the 65 Morton Street Realty Company that the apartment was still being rented by him and not by PERL.

Mrs. SARANT was questioned concerning this letter and bill of sale, it being noted that she previously stated that she had no recollection concerning them. She again advised that she had no knowledge of the circumstances surrounding them, adding that they apparently do not make sense. She stated that the 65 Kortan Street apartment was furnished at the time of her marriage and that to the best of her recollection, the only article of furniture added while she resided in the apartment was an upholstered chair, which she believes was given her by her grandmother, Mrs. LOUIS BRANDT. She stated that her husband never mentioned that subject had any interest in this furniture. She thought of the possibility that subject had loaned the furniture to her husband prior to her marriage and before she ever met ALFRED SARANT, but then added that this would not be a suitable explanation in view of the remark in subject's letter, "Of course thanks for the use of them, that's why you got them so cheaply," which would imply that subject had had the use of the furniture. She stated that this could not be so since all of the furniture in the apartment was shipped to Ithaca with the exception of a box spring to a bed and possibly a lamp.

In reviewing the items listed in the bill of sale, Mrs. SARANT stated that, with the exception of the tea cart, there was furniture in the apartment which would fit the description of the furniture listed in the bill of sale, and that such furniture is still in her possession.

Mrs. SARANT was questioned concerning the identity of the moving company which transported their furniture and household goods from New York City to Ithaca. She stated that she could not remember the name of the firm, but that it could possibly have been Dean of Ithaca. Mrs. SARA B. BUCK, treasurer of this company, advised that her records reflect that Dean of Ithaca assisted on three occasions in transporting furniture and household goods for ALFRED SARANT and LOUISE SARANT from New York City to Ithaca, and that all shipping, storage, and other costs were paid by Mrs. LOUIS BRANDT, at her request. Complete details are available concerning the first shipment only, which was transported by Crispell Brothers Trucking Company, a local firm. This shipment was picked up at the residence of Mrs. LOUIS BRANDT, 1230 Park Avenue, and consisted of miscellaneous furniture and furnishings. It was placed in storage in Ithaca, being removed by June 24, 1949. The other two shipments were made by Weeks Storage Company of Rockville Center, Long Island, pick up being made on July 12, 1949 and May 19, 1949. The definite points of origin are not listed. Both of these shipments were also placed in storage until June 24, 1949. Mrs. BUCK stated that she presumes that these shipments originated on Long Island, but that there is no definite indication of this.

During the search of the SARANT residence, several hundred cancelled checks and statements of the First National Bank of Ithaca were located. An examination of this material reflects no transactions with WILLIAM PERL; however, none of these checks are dated prior to 1948.

It will be noted that ALFRED and LOUISE SARANT have both admitted the receipt of Postal Money Orders from subject in payment of rent on the 65 Norton Street Apartment. Money order stubs were located at the Ithaca Post Office as having been received by ALFRED SARANT as follows:
